About Me

Hello!

I'm Miss Webster and I'm thrilled to be your child's teacher this year. I'm passionate about creating a fun and welcoming classroom where pupils feel excited to learn (and maybe laugh a little too). When I'm not in the classroom, you can probably find me walking my dogs Daisy and Ruby at the beach, or going on new adventures with my wonderful nephews Harley and Albie.

My Education

I graduated from Worcester University with a degree in Early Education in 2018. I graduated from UWTSD with my teaching degree in 2021.

I have lived in America for 8 years being a live in nanny then I went onto teach in a Reggio Emilia School.

I've been teaching for 4 years, and every year brings new adventures and wonderful memories.
