

Summer Homework Grid

How many can you complete?

Please send us pictures on ClassDojo or bring your work in school!

LITERACY

Can you create a story basket?

Fill a basket with different items and make up a story using each item.

Can you draw a comic strip to go along with your story?

NUMERACY

Can you find the tallest plant?

Where did you find it?

What did you use to measure it?

Is it taller than you?

SCIENCE

Can you grow a fruit, vegetable, flower or plant?

What does your seed need?

Where will you place it?

Can you draw a picture of its growth each week?

THRIVE

Can you create a gratitude jar?

Find a jar or bowl, write down something that has made you happy or something you are thankful for each day, and add them in.

Will you ask family members to add theirs?

Will you read them at the end of each week or save them till the end of each month?

ART

Can you use nature to create a picture?

Will you stick leaves down or press flowers to make colours or use mud like paint?

Will you use crayons to capture the pattern of different leaves?

COOKING

Can you make your own fruity ice lollies?

Use the recipe document below to find the recipe for some fruity ice lollies.

What different flavours will you make?

What's your favourite fruit?

ICT

Can you find an app or website that relates to our topic 'How does your garden grow?'

Have a go at the game and write a review of it!

DESIGN AND TECHNOLOGY

Can you make a 3D Garden?

Can you use recyclable materials?

What different parts of the garden will you include?

WELSH

Can you label the house?

Use the word mat below to find the Welsh names of different household items and use pieces of paper or sticky notes to label them around your house. OR Can you draw your own house with each room and add the labels?
