

Nappy changing procedures

- All Staff must wear aprons and gloves.
- Changing mat must be cleaned after every nappy change with anti-bacterial solution.
- Staff must wash hands after each nappy change with anti-bacterial soap.
- Nappies/ waste must be placed in the bin provided which is emptied by an appropriate waste company.

You will be asked to provide nappies, wipes and change of clothing for your child. Staff will let you know when the supply is running low.

Children with stoma bags/ other medical needs

- The same procedures apply as above.
- Training will be given in advance by a health professional i.e. Stoma nurse, Health Visitor.
- Procedures of training must be followed.

Toilet Training

Toilet training is an important element in becoming independent: we will happily work with you on a program to assist your child in becoming dry. The setting has potties for children who are training, however if you would like to bring your own you are welcome.
