

*Breakfast Club provision is available for children in Reception through to Year 6. It is an opportunity for children to start the day with a healthy breakfast and an opportunity for them to socialise with friends before starting their learning day.*

*Children have choices throughout the week of yogurt, toast, crumpets, various cereals, fruit juice and fruit.*

*Doors open at 8 o'clock and will close at 8.20 a.m. every day.*

*Entry is through early year hall doors. Early years children need a responsible adult to sign them in each morning. Children in Y3, 4, 5, 6, although an adult is expected to bring them to breakfast club they will be expected to sign themselves in.*

*Due to health and safety issues we ask that no vehicles are driven onto school grounds and children walk onto the premises via the walking gate close to the Pelican Crossing.*

*There is no cost for this provision*
