Dear School Community,

As the curtain closes on another fantastic school year at Clase Primary, I wanted to take a moment to reflect, celebrate, and say a big DIOLCH!

It's hard to believe that I've already completed two terms as Headteacher—it's gone by in a flash! And what a journey it's been so far. From my very first day in this role, I've felt incredibly proud to lead such a special school. It's a place filled with kindness, care, and a strong sense of community.

This year has been full of moments to cherish. Our pupils continue to amaze us every day—with their enthusiasm for learning, their creativity, their passion, and their ability to care for one another. They are the heartbeat of our school, and I'm so proud of everything they achieve.

Our incredible staff have, once again, gone above and beyond. Their dedication, teamwork and passion for providing the best for every child shines through in all they do. They bring learning to life and make Clase such a warm, supportive and inspiring place to be.

And to you, our wonderful families—thank you. Your support, encouragement and engagement in school life has meant the world to us. Whether attending our summer concerts, our family learning events, our Science Extravaganza, or cheering from the sidelines at our Sports Days, your involvement helps make this community truly special. It has been fantastic to see so many of you in school this year, sharing in the joy of your children's learning.

To our Year 6 pupils, we wish you the very best as you move on to secondary school. You've made us proud in so many ways, and we know you'll continue to shine. Remember—this is not the end of the story, just the closing of one chapter and the beginning of an exciting new one. Keep being brave, kind, and curious—you've got this!
