

CLASE PRIMARY SCHOOL

NEWSLETTER - MARCH 2025

New Beginnings

January 2025 saw lots of new beginnings for the school. I started in my new role as Headteacher at Clase Primary. I have enjoyed the start of the journey and I look forward to what the future holds for our wonderful school community. Thank you for all of your well wishes and support!

DVLA Coding Challenge

Mr Fisher took our 'Digital Wizards' to the DVLA Coding Challenge Day. Throughout the day the children were able to learn more about coding and were inspired by children from across Wales who have created their own games using coding techniques - they had a great day!

E-Ysgol Science sessions!

The Children in Year 4 and 5 were able to participate in science investigations with 1000s of other children across Wales through the E-Ysgol lessons.

I Wonder Wednesday!

Since January our Year 4 and 5 children having had the excellent opportunity to take part in our 'I Wonder Wednesday'. Every Wednesday for an hour the children split into smaller groups to take part in a variety of curriculum enhancing opportunities. In "Science Lab" the children learned about volcanoes and even made their own!

Wetland Centre Trip

The children in Daisies and Dandelions visited the Wetland centre in Llanelli. Throughout the day the children were able to watch and learn about different species that use the wetlands. The trip included a visit to the flamingo shed - where, the children tell me, the smell was rather unpleasant! The children thoroughly enjoyed the day and the trip inspired lots of learning back in class.

Netball Game

Miss Webster arranged for our school Netball team to play a game versus Cadle Primary School - the children enjoyed putting their skills to the test against another school. The children represented our school with pride - well done team!

Drum lessons are a HIT...

Some of our children have been able to sample drum lessons this term! They loved putting together a beat and learning how to master the sticks - we hope that lots of our pupils will have the opportunity to have a go throughout the spring term!

Physical Literacy Sessions

Children in Buds and Blossoms have been taking part in weekly Physical Literacy sessions that have been provided by Swansea Local Authority in partnership with Sport Wales. The skills the children are developing in these sessions such as balancing, jumping, catching and throwing will support them to take part in a variety of different sports during and beyond school life!

St. Dwynwen's Day Disco

In January, we celebrated St. Dwynwen's Day with a school disco. St. Dwynwen's Day is a story about love that is set in Wales. So we decided to celebrate our love for all things welsh through a welsh themed disco. The children sang and danced to welsh songs, entered the photo booth and feasted on jammy dodgers! They had great fun! A big diolch to Miss Rees and the Criw Cymraeg for organising a fantastic event.

Creative Inspiration

Our Y6 had a fantastic day doing a poetry workshop with Connor Allen the Welsh Children's Laureate! Connor shared his passion for poetry and read some of his poems to the children. Connor helped the children to write their own poems about the things that are important to them.

Dydd Gwyl Dewi!

On our return from half term holiday we were able to host our school Eisteddfod. It was great to see the children wearing welsh colours, daffodils and leeks! We celebrated everything that makes Wales special and unique. The children sang welsh songs with passion and pride - it was a wonderful occasion. Happy St. David's Day!

Inset Day

Thursday 10th April will be the last day of term for pupils. School will be closed to pupils on Friday 11th April for staff training.
